

Services from the partners on Alpe Adria Championship events and ME Stock 250

Dear Riders,

also this year we have prepared for you services from partner companies of Alpe Adria Championship at events organised by Slovakia Agency Racing, which of course will not be missing during the next weekend on the Hungarian Pannoniaring.

Také tento rok jsme pro vás připravili servis od partnerských společností Alpe Adria mistrovství na podnicích organizovaných Slovakia Agency Racing, které ovšem nebudou chybět na příštím podniku na maďarském Hungaroringu.

TYRE SUPPLIERS

Partner suppliers of tires will be present at all events with sales and service.

Partnerští dodavatelé pneumatik budou přítomni na všech podnicích s prodejem a servisem:

DUNLOP (supplier Maco Racing)

PIRELLI (supplier IV Racing)

Racers, who will ride on tires Dunlop and Pirelli, in qualifications and races can only use tires purchased and marked from the suppliers, Maco Racing and (IV) Racing.

Jezdci, kteří pojedou na pneumatikách Dunlop a Pirelli v kvalifikacích a závodech mohou použít pouze pneumatiky nakoupené a označené od těchto dodavatelů, Maco Racing a IV Racing.

CHASSIS ÖHLINS

The Halbich company will also be present on all events with their services such as sales, service and advice concerning the chassis **ÖHLINS**.

Společnost Halbich bude také přítomna na všech podnicích s jejich servisem, prodejem a poradenskou službou ve věci šasi Öhlins.

- „on-circuit“ damper service
- setting up the dampers according to rider's requirements. The new card systém
- sales of the products Öhlins for most road motorcycles
- sales of spring and parts Öhlins

Price list of services:

Front fork - 120 €

Rear dampers - 100€

Steering damper - 55€

NEW: TAPING AND MASSAGE

For the first time we have prepared for you the physical care offered for yourselves, and therefore there will be massage and taping specialist available for you.

Poprvé jsme pro vás připravili masérské služby a proto budou přítomni specialisté s nabídkou:

Kinesio taping, functional taping, elastic taping: under all these names is hidden a taping by differently-coloured elastic strips. Applying these special tapes results in a number of effects on the human body. The functionality of the tape lies primarily in the increased circulation directly under the tape and subsequent increase metabolism.

You can also choose from a variety of certain body parts massages. *Můžete si také vybrat různé masáže.*

Preview and price list of services: <http://www.mtc-taping.sk/wp-content/uploads/2015/05/MTC.pdf>
