## Information for competitors

Dear riders,

Also this year we are fulfilling promises that we gave you before the start of the racing season and in addition we still extend our services, for you to feel as best as possible on our events. We believe, that you have been convinced, that our entry into the Alpe Adria Championship raised the level of the series even higher.

### PRIZE MONEY

We entered the Alpe Adria Championship last year with a few bonuses, which we offer in the IMRC series also a year longer, and we have brought the financial rewards for successful riders after each event, which many of you have already experienced yourself.

### WEBSITE [SLOVAKIARACING.SK](http://www.slovakiaracing.sk)

The Internet is now the most widely used and at the same time the fastest source of information and therefore, we too have created our website [www.slovakiaracing.sk](http://www.slovakiaracing.sk) in order for you to be able to always find all the most important information such as results, videos, photos, options, online registration, and so on, as soon as possible.

### ON-LINE RESULTS AND LIVE TIMING

We know how important it is for Your fans or partners and sponsors to receive fresh information directly from the of racing events. Live Timing and the on-line up-to-date results are an integral part of the world's racing events and we make sure, that our Championships and series keep the pace. Therefore, during each race weekend, the Live Timing and the actual results are published on our website [www.slovakiaracing.sk](http://www.slovakiaracing.sk), thus being available for all anywhere in the world.

## TELEVISION REPORTS AND OUTPUTS IN THE MEDIA

We are aware of an important power of the media, whether electronic or print. Therefore, our press releases appear after each event on all the most important motorcycle internet domains, but we dedicate special care to video reports also, which are published not only by our television stations within the sports news, but we share them with you on our website [www.slovakiaracing.sk](http://www.slovakiaracing.sk) after the television broadcast as well, from where they are available for other news domains.

## PROFESSIONAL PHOTOGRAPHY

This year, we have prepared for you a special opportunity to get high-quality professional photos from the top Czech photographer Peter Štola, who has more than a decade of experience with taking a picture of the World Championships. You can get his works directly on the racing events, but at the moment we are preparing an internet server, through which you will be able to select and order your photos from home.

## WE ARE HERE FOR YOU

Because we love this sport and we appreciate everything You, the racers, do for it, we work hard to do everything for you as best we can. Also that is the reason why we approach to each of your requests individually, as many of you have surely experienced. We believe, that you too appreciate us making the atmosphere in the paddock more pleasant, for instance by making a snack available, or even the presence of beautiful girls, who are inseparable part of the motorsport. But we can still increase Your comfort, so we need to know Your ideas and requirements. Therefore, do not hesitate to
