All organizers must communicate the results to all AAMU-FMN's at the end of their events. They are requested to prepare a column for the tyre brands on their results sheets.

In case of a tie in the final classification, the rider with the best placing becomes first. In case of further ties the best placing of the last race, of the second last race and so on are taken into consideration.

For the AA final classification, **the best 13** results (including additional scores) will be taken in consideration (**out of 14 races, they will be taken into consideration the 13 best results, as well as 7 Pole positions and 13 best laps**).

Minimum of 4 events is necessary to complete the championship. For the nations' classifications in the single competitions, the points of the 5 best classified riders of the AAMU will be summed, provided that at least three AAMU-Federations are represent. Riders of the Old Timer and Classic Classes will not be taken into account for the AAMU nation's classification.

If a rider will be excluded for a 2nd time from a result, due to an infraction of the AAMU technical rules, without taking into account, if the infraction happened in one class only, this will result into a non-consideration of all results of this rider in the classifications of all AAMU-RR Championships of the current year.
