

CANCELATION OF PARTICIPATION/ZRUŠENÍ ÚČASTI Oficiální informace Youthstream Sportoffice

Dear riders and teams,

during the last of month it has become a kind of bad habit, to wait with the cancellation until the last moment. This leads to situations, which are very unpleasant in my eyes.

Therefore we've decided to change the cancellation procedure, beginning from now on:

Proto jsme se rozhodli změnit proceduru zrušení účasti a to s okamžitou platností:

- All riders and teams can cancel the participation of their rider for the next event **LATEST until Wednesday MIDNIGHT (UTC time)** *Všichni jezdci a týmy mohou zrušit účast svých jezdců pro další podnik **NEJPOZDĚJI do středeční půlnoci.***
- **After this moment only federations** are able to cancel the participation of a rider **Po tomto momentu pouze federace** budou moci zrušit účast jezdce. *Jezdci jsou povinni federaci o zrušení účasti požádat.*
- If a cancellations will be done after the deadline **WITHOUT** a medical certificate / a prove of another important reason or the participation is not cancelled, **an additional penalty of 150 € will apply.** *Jestliže zrušení bude provedeno po deadlinu **BEZ** lékařského potvrzení / prokázání jiného důležitého důvodu nebo jestliže účast nebude zrušena, bude aplikována pokuta 150 €.*

I hope you will understand these new rules, unfortunately they are necessary.

Doufám, že chápete smysl tohoto nového pravidla, bohužel je nezbytné.

Kind regards

Hans-Martin Fetzer
