Art 4 Entries

4.3.4 Organizer's Trophy

Organizer's Trophy can be entered by competitors with following vehicles:

- National cars of classes 17 and 18 according to National Regulations, art. 2.2 of chapter F
- Organizer's Trophy can be entered with vehicles with national homologation of foreign ASNs. Competitors are obliged to present national homologation to the vehicles at least 14 days prior to the rally to the ACCR Technical Commission.
- Safety regulations according to ISC Appendix J, Article 253 have to be followed.
- Safety equipment of the crew and vehicle and vehicle's weight has to be in conform with Czech National Regulations.

CHANGES:

Art 9 Reconnaissance

9.2 Specific regulations

Passing the Special Stage route

There are allowed maximum two passages of the same special stage (except for SS 1 Valašské Meziříčí – městská and SS 10/14 Juřinka).

For the Czech Rally Championship holds the Art. 25.5.1 of National Regulations 2019.

SS 1 Valašské Meziříčí – city stage: there is allowed only one passage of the stage any time during the period for the reconnaissance. The reconnaissance will be performed according to issued schedule (crews will get the schedule at the Presentation) in group behind the Organizer's vehicle. Times of the reconnaissance will be issued together with the list of entries.

SS 10/14 Juřinka: there is allowed only one passage of the stage any time during the period for the reconnaissance.

SS 10/14 Juřinka: during each reconnaissance passage the crew is permitted to do only one full circuit lap. The crew is obliged to turn to the stage finish instead of entering second lap.

Crews can enter the stage only in SS START and leave it only in SS FINISH.

Driving in the opposite direction is forbidden except for areas marked in Appendix 2 of these SR.

Crews are obliged to follow all the regulations of art. 20.2 and 25 in National Regulations and these SR.

CORRECTION:

Appendix I – Itinerary

The correct name of TC 4 is **Fojtův mlýn**
