Important information for mechanics:

The main gate of the paddock is used ONLY for the exit of race bikes to the training. Because of the safety of the riders outgoing to the training it is **STRICTLY PROHIBITED** to the mechanics to go through this gate during the training on Saturday. The mechanics have to use the bridge to go to the boxes (only without carriages) or **in case of transporting the carriages into the boxes mechanics have to use** a side entrance "Cesta Legií" to the paddock and then the sidewalk to the boxes. After the training session, the mechanics return the same way back!

On Sunday mechanics are allowed to go through the main gate with the carriages to the grid as soon as all race bikes leave the paddock to the seeing lap of the race.

On both days the mechanics have to leave the area in front of the main gate into a special area which is situated on the right side to enable a safety exit of the race bikes into the training or the seeing lap of the race.

Violation of this regulation will be punished in the following way. The box entry ticket of the mechanic will be removed by the organizer's staff and the rider of this mechanic will be questioned by the Jury of the race.

There may be only mechanics of the relevant category in the boxes.

Minors are not allowed on the starting grid or in the pits (in the boxes)!

The organizer is not liable for damage to electrical equipment of race participants due to outages and drop in voltage in the grid. **In the event of overloading the system, disconnection of water heating or other parts of the network may occur.**

Any changes of these Supplementary regulations will be announced by the Implementing provisions, during the event. It will be published on the notice board at the main gate.
